//agreements

PARTICIPATION

I commit to //missional.trip2008 and agree that I must participate fully in the entire mission from beginning to end, as explained above.

SEND HOME POLICY

If I:

- o Create a threatening environment
- o Constantly make trouble for the mission
- o Flagrantly break the youth group traditions and the missional trip guidelines
- o Reach the point in my relationship with any other group member that would not be a good representation of our purpose and meaning

Then I will be sent home at the expense of my parents:

Our sponsors will call my parents, explain the situation, and inform them of the Boise, Idaho bound flight I will be arriving on should this be necessary. My parents will read this statement and will also understand their potential obligation before our missional trip begins.

REFUNDS

I understand that if I enroll and *then* choose not to attend //missional.trip 2008:

One hundred per cent (100%) refunds are not possible.

Funds will be prorated according to the expense incurred to date.

When I request a refund, a financial accounting to support the amount of the refund will be made.

I HAVE READ THE ABOVE STATEMENTS AND I UNDERSTAND, AGREE, AND WILL COMPLY WITH ALL AS STATED:
