Series: Jesus, Life Coach

Sermon: With Jesus as Your Life Coach You Will Learn to ... Find Your Balance

Memory Verse: *"Seek the Kingdom of God above all else, and life righteously, and He will give you everything you need."* -Matthew 6:33

We have bought the lie that if we just get enough information fast enough, we will get it right. Maybe what is needed more than information is wisdom, and wisdom comes from balance.

Balance is simple IF ... we know who we are ... we know where we stand ... we know what we are looking for.

No one else can convince us that wisdom comes from balance – like Jesus can.

To know what to do with what you know is the essence of wisdom.

Experience is what tells you to watch your step, and it is also what you get if you don't.
